

# Operational Update

31 January 2024

<p><b>Overall Operational Status</b></p>	
<p><b>Key points:</b></p> <p>Terminal operations are running well and there have been good container movements off port with the short working week.</p> <p>Berth windows continue to be affected by delays to vessels offshore largely from the ongoing industrial dispute in Australia between DP World/MUA.</p> <p>This situation is expected to be ongoing for some time so please continue to monitor for potential congestion periods.</p> <p>We have another short working week with Waitangi Day public holiday on Tuesday 6<sup>th</sup> February. We ask Carriers to do best possible to move containers off port in a timely manner to help manage yard congestion.</p> <p>Please continue to monitor POAL Website for vessel movements and cargo receipt windows.</p>
