## **Re : Audit Opinion, Fuel Adjustment Factor Calculation April 2024**

After examining a sample of invoices for April 2024 from your diesel suppliers, we advise that in our opinion the diesel buying prices for the weeks commencing 1, 8, 15, 22 and 29 April 2024 were all greater than the 1 September 2006 reference price. The magnitude of the difference was between 40 and 60% for all the weeks except that of 29 April where it was slightly less than 40%.

We confirm we have carried out this audit on prices excluding the Regional Fuel Tax introduced in 2018.

Yours faithfully,  
**GBG Audit & Risk**
